

WikiSpills

A stylized globe with a grid of latitude and longitude lines. The continent of North America is highlighted in a solid green color, while the rest of the globe is light gray.

WARNING: CONTAINS SATIRE

The dangers of arbitrary and inconsistent viewpoint censorship are only exacerbated when enforced by police states (that masquerade as democracies) using opaque procedures that fall egregiously short of due process and are insensitive to context, such as sarcasm, comedy, lampooning, parody, humor, satire and socio-political commentary.

My only mistake was to splurge PAC money on my personal life *now* instead of squirreling it away (for when I leave politics *later*) in secret tax-free bank accounts in Delaware, Nevada and Alberta like every other American politician.
